Index to volumes 9-13

This journal was published under the title International Journal of Institutional Management in Higher Education *up to Vol.* 12, No. 2 *when a new series under the title* Higher Education Management *began with Vol.* 1, No 1. *Index to volumes* 4-8 *appeared in issue Vol.* 9, No. 1. *The following section contains a list of all contributions published in Volumes* 9/1997 *to* 13/2001. *They have been listed under broad analytical headings denoting the main areas of interest within which they fall. The analytic headings are as follows:*

A. *National and international systems of higher education.*

B. *Planning, marketisation, finance and management.*

C. *Quality Assurance, evaluation and performance indicators.*

D. *Institutional governance and internal structures.*

E. *Teaching and research.*

F. *Continuing and lifelong education.*

G. *Staffing policies.*

H. *Leadership.*

I. *Reform and restructuring.*

J. *Entrepreneurialism.*

K. *Regional impact.*

L. *Information technology, the virtual university.*

Authors of contributions have also been listed alphabetically so that their work can be found under the different analytical categories. Titles are listed once only in the case of multiple authors.

Where appropriate articles are abstracted and indexed in Current Index Journals in Education (ERIC).
